August 2010

July Update

Instead of a regular meeting, we enjoyed a delicious dinner and beautiful scenery at Helen's vacation home on Lake Harmony. We are also replacing our regular August meeting with a brief session before our next Flying Social at Slatington Airport. Come and help plan the place and time of our next Flying Social and other fall activities. Then, stay for:

Flying Companion Social at Slatington Airport

Don't miss our third Flying Companion Social at Slatington Airport on Sunday, August 15 from 4 to 6PM. Jen will again give her presentation on the rewards of flying, and all of us are needed to greet our guests, share our enthusiasm for aviation, and show other women that they can achieve their dreams.

Annual Section Meeting

The annual meeting of the Mid-Atlantic Section will be Saturday, Sept. 25 at Frederick, MD. A general business meeting will be held from 10:30AM – noon. After lunch, there will be presentations on "Rosie the Riveter": Glenn L. Martin Aircraft History, and NTSB Investigations with Heather Taylor and Terry Carbonell. For those arriving Friday evening, a happy hour will be followed by the film "Breaking through the Clouds: The First Women's National Air Derby." Registration is \$25; reservations are requested by Sept. 1.

Nancy and Sally plan to attend. If you'd like to go, contact Nancy to coordinate travel. Everyone is welcome and encouraged to attend. It is an opportunity to learn more about the 99s beyond our chapter, and to meet fellow 99s from Virginia, Maryland, Delaware, and throughout Pennsylvania.
